

Epson TM-P60II

The Epson TM-P60II has all the features you need to print receipts anywhere, anytime. The robust Epson TM-P60II wireless printer is fast, easy to use and offers an ultra long battery life. Tough and robust, it offers the fastest printing in its class with speeds up to 100mm/second, an industry-leading battery life, flexible connectivity and a ruggedized design to ensure reliability in even the harshest environments

On the go receipt printing

Completely wireless, the Epson TM-P60II is a top of the line mobile solution for receipt printing. Quickly print receipts from anywhere on the floor at anytime.

Best-in-class battery life

To ensure uninterrupted service to your customers, the Epson TM-P60II features an industry-leading operational battery life of up to 46 hours with Bluetooth models.

Reduce your paper costs

With the Epson TM-P60II paper-saving options, you can reduce your paper usage by up to 23%. The paper-saving settings are easy to use and do not affect print quality, readability or font size.
